

Request for Proposal (RFP), number PR-HQ-07-11982, will be issued on or about July 22, 2008 for EMRAD Risk Assessment Support services. The RFP will be issued under the provisions of FAR Part 15 utilizing full and open competition procedures. The North American Industry Classification System (NAICS) number is 541620, Environmental Consulting Services, with a size standard of \$6.5 million. EPA's Economics, Methods, and Risk Analysis Division (EMRAD) requires consulting services necessary for the assessment of potential risks and other impacts associated with the generation and management of materials originating in households and businesses, industrial process materials and residues, industrial waste, mining process materials and residues, and mining waste and management of municipal and industrial solid wastes. Award of a CPFF contract with a twelve (12) month base and four (4) option periods is anticipated. The solicitation, any amendments and all further information regarding this procurement will be available on the Internet at <http://www.epa.gov/oamsrpod/hcsc/0711982/index.htm>
